Buddha and Beach

Colombo - Dambulla - Polonnaruwa - Dambulla. Bidding farewell to Colombo this morning we drive inland to Dambulla, stopping en route at a fruit and vegetable market in Naramwela Town. Dambulla Rock Temple is an incredible ancient complex of caves which dates back to the 1st Century BC. The five caves contain over 150 images of Buddha including an impressive 14 metre carved statue.

After exploring this ancient site, we continue to Polonnaruwa. This fascinating 11th century city is home to many interesting ruins and famous monuments including the Royal Palace and the Gal Vihara. Polonnaruwa was once the capital and is also the second most ancient city in Sri Lanka. It is now a UNESCO World Heritage Site. This evening, we return to Dambulla for an evening at leisure.

Overnight - Dambulla (B)

Day 3 : Sigiriya

Dambulla - Sigiriya - Kandy. This morning we explore Sigiriya and the famous 'Lion Rock' fortress. Built over 1500 years ago, this beautiful citadel stands 200 meters high in the middle of verdant jungle and was an important stronghold of the 70 hectare fortified town. It can be viewed from miles around and is definitely one of Sri Lanka's most iconic and famous sites. You'll be able to view the world famous paintings of the Heavenly Maidens which stand in a sheltered pocket of the rock approached by a spiral stairway.

From Sigiriya, we take a bullock cart ride and short canoe trip to the village of Kayanwala. Here, at Kayanwala Village we take part in a cookery demonstration in a mud brick home of a local woman and enjoy a freshly prepared lunch of curry, dahl, spiced rice, pickle and

more. En route to Kandy we stop at a spice garden in Matale to see the different herbs and spices, which Sri Lanka is famous for. You will be introduced to different spices and shown how some of these spices are grown and processed.

Overnight - Kandy (B, L)

Day 4 : Temple of the Tooth

This morning we take a sightseeing tour of Kandy - the last capital of the Sri Lankan kings. The name Kandy conjures visions of splendour and magnificence. Many of the legends, traditions and folklore are still lovingly kept alive. Our first stop will be the Temple of the Tooth Relic. Legend has it that one of Buddha's teeth was taken from him as he lay on his funeral pyre. It was then smuggled into Sri Lanka in 313AD and it now attracts daily pilgrims who come bearing lotus flowers and frangipani. After driving around Kandy Lake - built by the last Sinhala king Sri Wickrama Rajasinghe in 1798, we visit the local bazaar and a gem museum before we take a Tuk Tuk ride up into the hills to look down upon the city.

This afternoon, we visit a working tea factory at Geragama en route. Geragama Tea Factory is located in close proximity to the city of Kandy and was established in the year 1903, manufacturing 'Low Grown' and 'Long Leaf' tea. This evening, we watch a cultural performance of traditional Sri Lankan music and dance.

The park is also home to the elusive leopard, the Sri Lankan sloth bear, the cheeky langur monkey and various types of deer. KNOW BEFORE YOU GO

Entrance fees

Entrance fees are not included within the cost of our Group Tours and needs to be paid locally in Sri Lankan Rupees (LKR). Entrance fees will be collected on day 2 of your tour.

If travelling to India on our Delhi to Colombo tour, entrance fees for the India section of your tour will be collected in INR, then for the Sri Lankan section of your holiday in LKR.

Note: Entrance fees are included on our Safari in Sri Lanka tour.

Tip kitty

Tipping is not a natural part of many Western cultures and many of us feel uncomfortable, or unsure about when or how much to tip. However in Sri Lanka tipping makes up a significant part of many people's wages so it's important that we get it right. For this reason we've developed a very simple system on our Group Tours to take the hassle out of tipping.

With our 'tipping made easy' policy, a nominal pre-determined amount is collected from all

group tour participants to cover tips en route. This then saves you the hassle of when and how much to tip bellhops, luggage handlers, local guides and other support staff throughout the tour. The tipping kitty amount is noted under 'Exclusions' on the first page of this document.

PLEASE NOTE: The tipping kitty is to be paid in LKR and it will be collected on day 2 of your tour. If travelling to India on our Delhi to Colombo tour, the tipping kitty for that section of your tour will be collected by your guide in India and payable in India Rupees (INR).

Our 'tipping kitty' doesn't include a tip for your group tour guide. For a job well done, we would suggest for your tour guide: USD \$3-7 per traveller, for each day of sightseeing. Tipping is an entirely personal gesture and ultimately the amount is up to you.

Note: We do not collect a tipping kitty on our Safari in Sri Lanka tour, where you can tip at your own discretion.

Guides & groups

Our longest group tour in Sri Lanka is our *Sri Lanka Northeast Explorer – 12 day tour*. All other group tours that we offer are sectors of this larger tour. As such on your holiday you may have travellers join you part way through your tour or end their holiday when you continue on. You also may have a number of escorting guides throughout your tour, ie one guide escorting days 1-5 then another for the remainder of the holiday.

Whenever there is 6 persons of more on your holiday you will have a tour guide escorting/ travelling along with you. Your guide will conduct the sightseeing arrangements, or accompany you where the local law dictates that a local guide must conduct the sightseeing in this region. Where the group number is less than 6 persons you will travel from place to place with a driver and meet a local guide at each new destination that will conduct your sightseeing arrangements in this location.

If traveling on our family tours, the longest is the *Wild Sri Lanka & Beach for Families - 13 day tour* and the other tours we offer are

sectors of this larger tour. As such on your holiday you may have travellers join you part way through your tour or end their holiday when you continue on.

Shopping

Sri Lanka is excellent for gemstones especially sapphires, moon-stones and cats-eye. Other items to look out for include spices, wood carvings and other handicrafts, clothing of types, batik and hand-woven textiles, brassware, handmade lace from Galle and of course tea. Tea varies in quality, so if you're buying in bulk, ask for a tasting! If seeking modern local chic, Colombo offers a selection of department stores and stylish boutiques. Refrain from buying souvenirs made of coral

(creation of this sort of tourist that contributes greatly to the destruction of Sri Lanka's reefs), ivory or the hides of endangered animals.

In the tourism industry it's common practice for commission to be offered in exchange for recommending particular shops or suppliers. This can become an issue when clients feel obliged to purchase. We do our best to avoid this by monitoring all shopping experiences offered.

All shopping experiences on your tour have been noted in the itinerary and they have been carefully selected based upon positive feedback from On The Go travellers. You are under no obligation to partake in a listed shopping experience and you are most welcome to wait inside or outside the premises.

Although we only visit reputable retailers, please note that we cannot explicitly guarantee the quality of their products. All purchases made whilst on holiday with us are at your own discretion. Please make sure that you are completely happy with your purchase. On The Go cannot be held responsible for any items that you buy if they fail to meet expectation, or any shipping arrangements. Proceed with caution.
